## DETAILED ACTION

### ***Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance: In response to the Office action dated December 28, 2004, claims 7-8 have been cancelled and claims 1-6 have been pending.

Applicant's remarks/arguments discussed on page 4, paragraph 1-3, have been reviewed and respectfully considered. Examiner agrees that the prior art used to reject the claimed invention does not contain all the elements.

Therefore, claims 1-6 have been allowed for the reasons the prior art searched and of record neither anticipates nor suggests the claimed application.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Negussie Worku whose telephone number is 571-272-7472. The examiner can normally be reached on 9am-6pm.
